Important information.
Read carefully. Follow each step of the instruction carefully.
Keep this information for further reference.

WARNING

Serious or fatal crushing injuries can occur from furniture tip-over. To prevent this furniture from tipping over it must be permanently fixed to the wall with the included wall attachment devices.

Fastening devices for the wall are not included since different wall materials require different types of fastening devices. Use fastening devices suitable for the walls in your home. For advice on suitable fastening devices, contact your local specialized dealer.

Safety recommendation:

- Place heaviest items in the lowest drawers.
- Prevent children from climbing or hanging on the drawers, doors or shelves.

INTRODUCTION

In the following pages, you'll find easy-to-follow instructions with images that show you how to assemble your Reform steel drawers. The box is the same for the regular drawer box and the inner drawer box. The difference lies in the mounting of the fronts. The guide is divided into four sections:

Our equipment for steel drawers comes in 2-3 boxes:

- 1) Drawer box (3 sizes: low, medium, high)
- 2) Drawer slides (3 lengths: 300 mm, 400 mm, 500 mm)
- 3) (ADD-ON) push-system/TIP-ON BLUMOTION technology
- 4) (OPTIONAL*) interior front for inner drawer box

**This only applies to the inner drawer*

If you'd like more in-depth information on your steel drawers, we recommend visiting the Legrabox drawer manufacturer, Blum: <https://www.blum.com/eu/en/products/boxsystems/legrabox/overview/>
